RESPONSE

This is in response to the Notice of Allowance dated October 21, 2008.

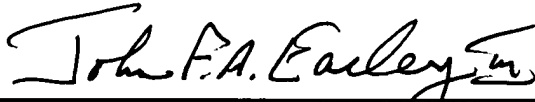

The Notice of Allowance, and the "Part B - Fee(s) Transmittal" indicate that Applicant is not a large entity and that large entity fees are due for the issue fee. However, throughout the prosecution of this application, Applicant has been and continues to be a small entity.

Accordingly, it appears that the Patent Office has mistakenly indicated on the Notice of

Allowance and the "Part B - Fee(s) Transmittal" that the Applicant is not a small entity. It is respectfully requested that the Patent Office correct this mistake in the USPTO records such that the USPTO records continue to show that Applicant is a small entity.

Applicant submits herewith the "Part B - Fee(s) Transmittal" on which the small entity indication has been corrected (to indicate "yes") and the fees due have been corrected (to reflect small entity fees). Applicant also submits herewith a check in the amount of \$1,055.00 to cover the issue fee and the publication fee, as well as a post card receipt.

Respectfully submitted,
HARDING, EARLEY, FOLLMER & FRAILEY
